Another Vote Likely Tonight On Contract

Resolution For Sewage Plant Engineering Not Listed On Agenda

Granite City council members tonight may be called upon to a third time to vote on the \$25,000-plus extra fee engineering contract for design of a sewage treatment plant.

Also, Mayor Davis is expected to submit a recommendation for appointment of George Filloff, Jr., as city attorney to replace John Gilchoff. The resignation of Gilchoff was effective Friday. Still pending is the filling of the vacancy on the Board of Fire and Police Commissioners.

Carried over from last week was a letter from Jack Green, business representative of Laborers Local 397, requesting a reopening of the current agreement to discuss wages and other sections.

The engineer contract with Chester Engineers, while given majority council approval twice, also has hit snags twice when the legality of the voting was challenged.

A double-payment and possibly triple-payment for preliminary work also has been emphasized by the minority opponents.

Added Labor Cost

They point out the city not only will pay the \$25,000 added fee for preliminary work, but also must furnish labor and materials for the sewage content and flow tests and also may have to pay off a loan from the Federal Housing & Home Finance Agency for about \$12,000 pollution study work in connection with the master sewer, drainage, pollution program.

The city of Alton now is in the process of repaying a \$69,500 loan made to the city 2½ years ago for advance plans of its pollution abatement system, including a treatment plant designed by Shepard, Morgan & Schwaab.

Alton obtained its loan from the Housing & Home Finance Agency, and it is being repaid through a bond issue for the treatment plant. It estimated the loan for preliminary planning advanced the construction date by six months to a year.

MRS. MARY MAERAS, 52, who died Saturday morning.

Mrs. Maeras, 52, Wife Of Mayor, Dies At Hospital

The first lady of Madison, Mrs. Mary Maeras, 52, wife of Mayor Stephen A. Maeras, died at 11:05 a.m. Saturday at St. Elizabeth Hospital where she had been taken by ambulance after suffering a stroke Thursday morning at home, 810 Iowa street.

Mrs. Maeras, a native of East St. Louis, had lived in Madison 40 years. She and the mayor celebrated their 25th wedding anniversary 10 years ago.

She was a member of the First Methodist Church in Madison and of the Ladies Democratic Club of Madison and the Ladies City Organization.

Other survivors include a son, Jerry Stephen Maeras, 30, Madison; a daughter, Miss Penny Joy Maeras at home; a sister, Mrs. Joseph (Betty) Gudie of Madison; a brother, Frank Motvsky of Donnellson, Ill.; her mother, Mrs. Joseph (Ginnie) Manovich of Donnellson, and a granddaughter, Tammy Lee Maeras. Funeral arrangements are given in today's obituary column.

'Cherry Bomb' Injures Hand Of Boy, Eight

Dennis Manion, eight, son of Mr. and Mrs. Benny Manion of 1023 McCambridge avenue, Madison, was burned yesterday afternoon when a "cherry bomb" firecracker exploded as he was picking it up. He is to be taken to a plastic surgeon tomorrow in an effort to prevent serious damage to the hand.

The boy was playing at the playground in Tri-City Park, his father said, where two older boys were shooting the firecrackers. He said the boys were reported to have found the firecrackers in a vacant pool.

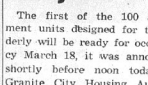

The older boys were identified as Fred Tanner, 12, son of Mr. and Mrs. Fred William Tanner of 1218 Grand avenue, and David Gaddy, also 12, son of Mr. and Mrs. Russell Gaddy of 1218 Meridian street.

12 Quad-Cityans To Be Drafted Thursday

The Quad-Cities' draft quota for this month will include 12 youths to be drafted March 7 and 12 others to report for pre-induction physical examinations on March 22.

There was no draft call for the area in February, but eight youths were summoned for pre-draft physicals. Quad-City youths report to the county selective service office in Edwardsville.

Auto Hits Pole, Man Seriously Hurt Today

Injury toll in 14

Crashes Reaches 10; Four Hurt On Rt. 111

A Granite City man suffered serious injuries at 9 a.m. today when his car went out of control and struck a light pole in the 600 block of Madison avenue, Madison.

He was one of 10 persons hurt in traffic crashes occurring in the Quad-Cities and immediate surrounding area during the weekend and today. There were 14 accidents, including one in which four persons were hospitalized.

The man injured this morning, Robert Biggs, 43, of 2018 Iowa street, who was admitted to St. Elizabeth Hospital with lacerations to the head and possible chest injuries.

A witness said Biggs was driving north on Madison avenue, along the river opposite the Sixth street intersection when he apparently lost control of his auto.

Pinned In Wreckage

The vehicle hit a concrete divider in the middle of the street and then skidded across southbound traffic lanes before colliding with the pole, located in front of the Sedlak funeral home.

A door was ripped from the auto and the steel pole was badly twisted, police said.

Biggs was pinned in the car until bystanders and attendants from a nearby service station were able to free him from the wreckage.

4 Hurt In Head-On Crash

Four men, all enroute to work, were injured about 7:40 a.m. Friday in a two-auto, head-on collision on Route 111 about a quarter mile south of Route 162. All were hospitalized.

State Troopers said Charles Broeker, 24, of 3719 Ruth drive, an employee at Emerson Electric Co., was pinned in his southbound auto. The others were in a northbound auto driven by Thomas Bury, 53, of Edwardsville, who died at 1:10 a.m. Saturday at St. Mary's Hospital, East St. Louis.

The youth, a son of Mr. and Mrs. Russell Budke, 2929 Cayuga street, had become ill with influenza and entered the hospital Tuesday. Pneumonia had developed immediately, the family was told.

He was born in St. Louis, and the family moved here 10 years ago from Wright City, Mo. The father is a truck driver for a transport firm.

The boy was absent from school about six weeks with hepatitis last year and missed school last week.

Other survivors include a brother, Airman 2C Robert E. Budke, with the Air Force in France, and five sisters, Mrs. William (Beverly) Krug of Caseyville, and the following at home, Elaine and Linda, and twins, Loretta and Lavern.

Funeral arrangements are given in today's obituary column.

Slight Tremor Creates No Excitement Here

The slight tremor at 11:30 a.m. yesterday was felt by a number of Quad-Cityans but created no excitement.

Local police stations received no calls, although one Granite City patrolman, Roscoe Martin, was informed by his brother, Kenneth Martin, 2818 Marshall avenue, that he had felt his house shake.

Most persons thought the quake—which hit hardest at New Madrid, Mo., 140 miles south of here—was a passing train or truck or industrial activity.

However, 46 several Quad-City homes dishes and windows reportedly rattled.

Retired Builder, Carl Mercer, 67, Dies; Ill 5 Weeks

A retired general contractor, Carl U. Mercer, 67, of 2409 Edison street, died at 11:45 a.m. Saturday at St. Elizabeth Hospital, where he had been a patient five weeks with a liver ailment.

Mr. Mercer, who erected homes in a firm with several of his sons, had been a contractor 30 years. He was president of the firm, Carl Mercer & Sons and retired two years ago. He was a member of Carpenters Local 633. Mr. Mercer was a member of the First Assembly of God Church and was a former deacon at a Madison funeral home, with further information appearing in the obituary column.

Survivors include his wife, Mrs. Mercer, and six daughters, Misses Virginia, Bernice and Faye Mercer, all of Granite City; Mrs. Andrew (Ruth) Mercer, Sherman, Mo.; Mrs. William (Violet) Smallie and Mrs. Otis (June) Gosnell, both of Madison; Mrs. Raymond, Watson and Rev. Raymond, Field representative of the Maryland Children's Home, all of Granite City, and Glen Mercer of Edwardsville; three sisters, Mrs. Annie Smith, Sherman, Mo.; Mrs. Ollie Eldred, Shreveport, La.; and Mrs. Katherine Bevy of St. Louis; 17 grandchildren and one great-grandson.

Funeral arrangements are given in today's obituary column.

Barge explosion

Today At Hartford; 4 Men Missing

An explosion rocked the community of Hartford about 1 p.m. today, and initial reports were that a barge had exploded at the National Marine Steam Rig Co. plant, where a new joist fabrication building is to be constructed. Part of the Goresch-Grenzer housing project is visible in the left background.

No new flanges or petitions have been reported in the Madison and Venice school districts, where incumbents with terms expiring have filed for re-election.

To Meet With Governor Concerning Underpass

Gov. Otto Kerner has agreed to meet with Venice city officials and others at Springfield March 19 to discuss progress of plans for the proposed railroad underpass on Broadway. Mayor John E. Lee said Friday night.

Mayor Lee said he, City Clerk William Ehrenfeld, Consulting Engineer Edward Juneau, County Democratic Committee Chairman Walter "Buck" Simmons, State Senator Paul Simon and Representatives Lloyd "Curly" Harris and Philip T. Smith likely will attend.

The meeting is intended primarily to recap the current status of planning in discussions with state highway officials and others concerned, Mayor Lee said.

Madison Youth Injured While Target Shooting

Charles Embrey, 16, son of Mr. and Mrs. Frank Embrey of 300 McCambridge avenue, Madison, escaped serious injury when a slug from a 22 caliber rifle ricocheted and struck him in the left knee Friday.

Mrs. Embrey said her son was target shooting in an area east of Madison when the accident occurred. The slug went through a portion of the knee and came out, she said.

The boy was treated at the St. Elizabeth Hospital emergency room, then transferred to St. Mary's Hospital, East St. Louis, where he was to undergo further treatment today.

James Purcell, 44, Dies This Morning

James G. Purcell, 44, of 3712 Fair Oaks drive, died at 8 a.m. today at St. Elizabeth Hospital, St. Louis. He had been hospitalized since last Tuesday, when he became suddenly ill and collapsed at work.

An autopsy is to be performed to determine the cause of death. Mr. Purcell was a switchman for the Terminal Railroad Association, working in the Madison yards. He had been employed by the railroad for 23 years.

Born at Philadelphia, he had been a resident of this community for 43 years. He was a veteran of the second world war, and was a member of the Brotherhood of Railroad Trainmen.

He is survived by his wife, Luraul.

Funeral arrangements are pending at a Madison funeral home, with further information appearing in the obituary column.

Steel framework in Madison

Steel Framework In Madison Marks Start Of Expansion Of The Laclede Steel Co. Plant, Where A New Joist Fabrication Building Is To Be Constructed. Part Of The Goresch-Grenzer Housing Project Is Visible In The Left Background.

The structure will provide increased production capacity which a spokesman said will strengthen the company's position in the highly-competitive steel joist business. Moving of joist fabricating lines from the present main plant building also will provide additional room for the bar fabricating mill and for shipping and warehousing facilities.

The new building, shaped like a small "h," will be located immediately north of the present plant building. Moving of joist fabricating lines from the present main plant building also will provide additional room for the bar fabricating mill and for shipping and warehousing facilities.

IRS Officials To Give Tax Program Thursday

Three Internal Revenue Service officials from Springfield will discuss new expense account rules at a Tri-Cities Chamber of Commerce membership dinner meeting Thursday.

Co-sponsored by the chamber's Light Industry committee and the Internal Revenue Service, the meeting is scheduled for 6:30 p.m. at the Rose Bowl restaurant.

Dale Arnette, Light Industry committee chairman who will serve as moderator at the meeting, said guests are invited to attend. Reservations should be made in advance at the chamber office.

Scheduled to appear on the program are Dwight T. Baptist, chief of the IRS field audit bureau; William T. Broadie Jr., audit supervisor; and Keith T. Lercher, IRS agent.

Subjects to be covered include "Old Rules for 1962," "New

Rules for 1963," and "New Record Keeping Rules for 1963." A question and answer period will follow the prepared talks.

Baptist, a former high school and junior college teacher and athletic coach, began his career with the IRS at East St. Louis in 1953. He has the responsibility of planning, organizing and directing the field audit groups in the examination of tax returns.

Broadie, group supervisor in the Springfield office, has been with the IRS since 1949. His job includes assistance and direction to agents conducting field examinations of individual partnership, fiduciary and corporate income tax returns, as well as claims for refund.

Lercher was a bank examiner for the state auditor of public accounts before joining the IRS in 1953. In his current assignment with the review staff, he is a specialist in pension and profit sharing plans.

State To Centralize Health, Welfare Units

A plan for regional unification of administrative units of state health and welfare agencies will be put into effect July 1, Gov. Otto Kerners has announced.

It will integrate administrative services of the departments of Public Health and Mental Health, the Illinois Youth Commission, the Illinois Public Aid Commission, the Division of Services for Crippled Children and Division of Vocational Rehabilitation.

Under the new plan, all six agencies will adopt the same regional boundaries, with administrative units located in a "central" city in each region. Eventually, all units are to be housed in a single or adjoining buildings.

Units serving Madison county will be located at East St. Louis. Other counties included in this region will be Boone, Clay, Clinton, Crawford, Edwards, Fayette, Jasper, Jefferson, Lawrence, Marion, Monroe, Richland, St. Clair, Wabash, Washington and Wayne.

In many instances in the past, Gov. Kerners said, "a family literally had to run all over the countryside before it caught up with the proper agency to handle its case."

He said under the new plan, a family seeking help for health or welfare reasons will find its task simplified and accelerated since all units will be centralized. In addition, he said, the new plan will lead to better cooperation among the agencies in programming and in handling case loads.

Youth Referred To County

Venice police said Saturday that William E. Tooley, 18, Staunton, is being released to his father in that city and that Philip P. Bone, 17, Venice, is being placed in custody of the county juvenile probation office. The two admitted burglarizing a Venice residence and attempting theft at the Venice public school last week.

Youth Wins Optimist Oratorical Contest

James Wittevrangel, 15, a Granite City high school sophomore and son of Mr. and Mrs. M. A. Wittevrangel, 1605 Garfield avenue, was judged winner of the Noonday Optimist club oratorical contest Thursday night at the Elks' club. He was awarded a \$25 savings bond as a prize.

The contest topic, set by Optimist International, was "Youth Approach to World Peace." Charles Raymond Douglas, 12, won the \$10 cash prize for second place, and Steven Sues, 13, won the \$5 cash award for third place. Steve Lee Hamilton, 13, was the only other contestant.

The judges were Rev. Frank Pierce, pastor of Narnwood Methodist Church; Herman Greve, post president of the Toastmaster club; and Edw. Withers, a Toastmaster and senior at SWIU.

Earl Lee was chairman of the contest. Harry Fichte was timekeeper.

Wittevrangel will next compete in the Optimist District contest to be hosted here by the Daybreak and Noonday Optimist clubs in late March. District winners will compete in a contest at Optimist International level. The competition is for boys 12-15 years of age.

About 35 persons attended the club contest here. The Optimists changed their usual noon meeting time to the evening for the event.

Another Vote Likely

(Continued from Page 1.)

that the 7-to-5 vote of last Monday did not give legal approval for entering into the agreement. He explained that a resolution probably will be prepared for presentation to the council, authorizing the agreement and expenditure of money. Such action requires a majority vote of the elected aldermen. That would be nine votes, or eight by aldermen and the mayor's. The resolution is not listed in tonight's agenda. As of last week, the agreement could muster the eight votes. However, attendance of Edmund Bartosiak would be required for the eighth vote. With eight—half of the original council—the mayor could vote. He voted last week on the 7-to-5 tally since seven is half of the present council, whittled down from 16 by two resignations last year.

Cherchoff, who said he would work with the new city attorney on the matter, also is seeking a reply from Chester Engineers on the double payment for preliminary work.

Seeking Clarification
He is writing to Pittsburgh to clarify the section of the contract which specifies the city must furnish labor and materials needed for the preliminary surveys to determine pollution content and flow in the city sewers.

Alderman Bartosiak was hospitalized last week for an emergency appendectomy. It is not known if he will be able to attend tonight's council session.

Alderman Charles Meyer, who is not seeking re-election, has not voted on the contract. He was absent at the Jan. 21 meeting when it was voted majority approval "prematurely" and also was absent last week.

The seven who voted for the premium-pay contract last week were Nunn, LeMaster, Schmitt, Slutsch, Bassett, Shackelford and Vesel. Opposing the contract are Partney, Rutledge, Whaffner, Mrs. Bettine and Ford Johnson.

City Engineer David Johnston has repeatedly recommended that the council accept the proposal in face of a no-added fee.

Granite City Schools Operating Normally

Granite City public schools operated normally today, and there were no reports of new actions by either the school board or Local 743, American Federation of Teachers.

A group of federation members voted Feb. 22 to strike beginning today, but the March 4 date was deleted when the strike authorization was ratified by a larger group Feb. 26. Timing was left up to the local's executive committee.

Paul Meyer, Local 743 publicity chairman, said today he is not certain when the executive committee will meet. There are no plans for a general membership gathering until the regular March meeting, he added.

Marriage License Issued
A marriage license has been issued in St. Louis to Floyd H. Alford and Ardilla Porter both of Madison.

offer by the local engineering firm of Sheppard, Morgan & Schwaab.

One opposing alderman has remarked that the majority members dislike the local engineering firm because of personalities.

The head of the firm, C. H. Sheppard, eight years ago objected to the city's acceptance of a multi-million dollar sewer project, pointing out the bids were high. The firm at that time was replaced as city engineers by the David Johnston Co.

Other items on the agenda for tonight's session are two applications for excavation permits submitted by Illinois Power Co. The firm plans to install new gas mains in the alley between State street and Grand avenue from 14th to 15th street.

A letter has been received from the state highway department advising the city that Chestnut street has been designated an arterial thoroughfare from Niedringhaus avenue to St. Louis avenue and will qualify for motor fuel tax fund improvements.

A \$1000 bond is to be submitted for Police Patrolman Robert Astorian, and a request for vacating an easement in Briarfield subdivision is being made by the law firm of Lueders and Robert.

Transit Workers' Retention Asked By Venice Council

The Venice City council Friday night called upon the Bi-State Development Agency to protect the jobs of Illinois transit line workers while establishing its proposed mass public transportation system to serve the two-state metropolitan area.

In a resolution at its initial March meeting, the council pointed out that 11 of the existing companies to be bought by Bi-State in establishing its unified operation are Illinois firms, with Illinois employees.

"These employees are residents whose welfare and employment are a part of the economy of the Illinois portion of the Bi-State area," the resolution states.

It calls on Bi-State to carry out the integration of present employees of transit companies to be acquired "in such a manner that in the event there is any reduction in the number of employees now employed in Illinois, that Illinois residents employed may be retained in as great a proportion as may be fair and equitable."

Copies of the resolution are to be forwarded to Gov. Otto Kerner, the chairman of the Bi-State board of commissioners and Illinois members of the board.

Parking Ordinance
The council also passed an ordinance prohibiting parking on the south side of Market street between Broadway and Madison avenue.

Bills and claims approved for payment included police department, fire department and city employee payroll.

Mayor John E. Lee asked the building committee to investigate possibilities of an auxiliary power system to serve the fire department in case of emergency.

At present, he said, in the event of a fire during a power disruption, firemen on duty are unable to contact other firemen either by radio or by sounding the fire alarm at city hall.

Police Chief Frank DeWitt reported 39 arrests by his department during February. Of those arrested, he said, 25 paid fines and costs totaling \$330; 15 paid costs only, amounting to \$15; and the others paid neither fines nor costs.

At the close of the meeting, Mayor Lee called upon councilmen to stand for a moment of silent prayer in memory of Thomas Britt Jr., retired Venice fire truck driver, who died Feb. 22. "We lost one of the most faithful, most trusted and most loyal employees the city ever had," Mayor Lee said.

Depot Soldier Charged
Maurice L. Ferebee, 26, a soldier from the 574th Engineering Co. at the Granite City Army Depot, was charged with peace disturbance, resisting arrest and disorderly conduct following a disturbance last night at Garrett's tavern, 337 Weaver street, Venice. He is to have a hearing later today.

VENICE POWER BLACKOUT early Friday morning resulted from this collision between an auto and a utility pole on Kerr Island. Noting that the motorist, Allen Cox, had been on their "wanted" list for a year and a half, Venice police placed him in custody after he was released from hospital care the next night.

Health Committee Named For C. of C.

Appointment of a Health committee for the Tri-Cities Chamber of Commerce was announced today by C. of C. President Chester L. Baker with Dr. J. C. Byers as chairman.

The group is to hold its first meeting at 10:30 a.m. Wednesday at the C. of C. office to outline a program to carry out health in the Quad-Cities.

Other members are Dr. W. W. Bowers, Dr. John E. Lee, Dr. Irvin Wiseman, Mrs. Helen Gantcheff, Walter A. Krueger, Randall Robertson and Robert T. Wagner.

Pair Faces Six Charges

Charges of drunkenness, creating a disturbance and profane language were placed against Edson Keel, 27, of 1619 Delmar avenue, and Melvin Kiser, 34, of Quincy, who were arrested about 7:30 p.m. Saturday, at Club Delmar in the 1800 block of Delmar avenue. They were later freed on \$48 cash bonds for hearings Wednesday.

108 Inoculations At Hospital's Clinic

Inoculations were given 108 persons during the immunization clinic conducted Saturday morning at St. Elizabeth Hospital. The next clinic will be April 6.

The inoculations are given on referrals by family doctors, school nurses and welfare agencies.

Two doctors volunteered their services along with members of the hospital nursing staff, Pink Lady and Candy Striper volunteers and members of the Granite City Jaycees.

Mrs. Lela Runk, 2533 Benton street, a second grade teacher at Lake school, is to enter a Normandy, Mo., hospital, this afternoon, suffering with influenza and a slight touch of pneumonia.

Public Boat Docks Planned On River

Plans are in progress for two public boat docks on the Mississippi River to serve Quad-Cities and surrounding area boaters, Madison County Democratic Committee Chairman Walter "Buck" Simmons said Friday night.

Simmons said an easement has been received from the East Side Levee and Sanitary District clearing the way for boat launching facilities at the Lewis and Clark Memorial grounds near the river's junction with the Hartford canal.

A small park and picnic grounds at the site are now well taken care of, Simmons said. He said the state conservation department is ready to proceed with work on the dock, which is expected to be completed in July.

Simmons said Venice officials are negotiating with the Union Electric Co. for an easement to establish a similar facility at the foot of Bremen avenue. Mayor John E. Lee confirmed this.

The Venice facility would consist of a dock and ramp and parking space. It would also be built by the conservation department if an easement is granted by the utility firm, Simmons said.

Miss Wilkinson, John Neal Are Wed Saturday Afternoon

Miss Doris Wilkinson, a daughter of Mr. and Mrs. Eugene Wilkinson, 1220 Klein street, Venice, and John Neal, son of Mr. and Mrs. Wright Brawley, 125 Weber street, were married Saturday in a late afternoon ceremony taking place at the Venice Methodist Church. Rev. Buddie Johnson heard the vows of the couple at 4 o'clock before the altar simply decorated with bouquets of white gladioli and pom poms.

The bride was given in marriage by her uncle, Frank Wilkinson. She wore a gown of ruche lace. The modeled bodice featured a scalloped, sabrina neckline and long sleeves caught to points at the hands. The very bouffant skirt, attached to a beige waistline, was designed with panels of lace from which knife-pleated tulle frothed down the front. Tiers of lace extended into the sweeping train. A veil of imported silk illusion was caught to a crown of pearls and sequins and the bridal bouquet was a cascade of white chrysanthemums.

ASTRONETTES HOLD MONTHLY MEETING
Awards for their first year of 4-H work were presented to girls attending a meeting of the Tri-City Astronettes Saturday afternoon at the YMCA.

Kakoks (Who Else?) Rated Team To Beat In Regional

Waukegan Sets Record In State Mat Finals; GC 8th

Bulldogs Score 64 Points; Capture First Place; Bledsoe Second At 103

Waukegan's Bulldogs established an all-time point record in Champaign Saturday in winning the Illinois state prep wrestling championship over finalists from 88 other high schools.

The only team to defeat Granite City during regular season dual meet competition, Waukegan scored 64 point points, had four individual champions, one third place recipient and one fourth place finisher.

The Granite City entries finished in a two-way tie for eighth place with defending champion Oak Lawn Reavis. Top individual showing by a Warrior wrestler was sophomore 105-pounder Bill Bledsoe's second-place finish.

The 64 team points scored by Waukegan bettered the 63 total by Reavis just last season. And 1941 was the last time a school came away from the state finals with four individual champions. East St. Louis did that year when the Flyers finished as runners-up.

Bledsoe Wins 3 Bouts
Bledsoe reached the finals by pinning Wayne Callahan of North Chicago in 3:07, defeating Tom Stengen of Willow Brook 8-5, and edging Dave Eberhard of Oswego 2-1 in the semifinals. He was defeated in the title bout by Mike Gluck of Palatine, 12-4.

Granite City's 95-pound entry, Paul Lapinski, downed Jerald Donahue 4-3 in the first round. Bledsoe was blanked by third-place finisher Steve Sarosky of Proviso, East in the quarterfinals 3-2 and lost a wrestling match to Don Joseph of New Trier, 6-3. Joseph finished third.

Skip McMillan, 112 pounds, blanked Fred Sackett of Evanston 5-0 in the first round and Marty Belkowsky of West Chicago in the quarterfinals, 4-0. He was then beaten by Ted Parker of Deerfield, the event's top champion, 8-2, and lost a

third-place bout to Romeo Callano of Thornton Fractional North, 6-1.

Larry Reynolds won his first two bouts at 135 pounds, defeating Joel Billings of Waukegan 3-1 and Tom Newman of Lyons LaGrange 3-0. In the semifinals he was defeated by eventual second-place finisher Seth Norton of Palatine 5-6 and dropped the third-place bout to John Bruggerman of Thornridge (Dolton), being pinned in 5:07.

Three Lose In First Round
The remaining three Warrior entries lost out in the first round Friday afternoon.

Tom Vesiloff (127) dropped a heartbreaker in overtime to Eric Denehl of Main East, 5-4, with Denehl scoring one point on an escape in the final five seconds.

Denny Petroff, who made the trip to Champaign despite a virus infection, ran out of gas against Jack Pradle of Naperville, 6-4, and 180-pounder Gary Sanchez was blanked by third-place finisher Hal Seilek of Arlington Heights, 8-0, in the first round.

Wrestling Coach Bill Schmitt, who helped present individual awards in his capacity as retiring chairman of the IHSA state wrestling committee, said the Warriors made excellent showings on their feet.

"We had no trouble in getting the first take down in most instances, but didn't have the staying power against these upstate wrestlers," he said. "We just don't meet this high type of

In District Finale

Top-seeded Marquette of Alton had its hand full for three quarters at Venice Friday night, but the Explorers took excellent advantage of defending champion Lincoln of Venice's tired legs, 75-63.

The Rams' loss marked the first time in the past seven years that Coach Stan Lynch's club has failed to make the first round of a regional basketball tournament.

Marquette, coached by Ron Holtman, will take a 16-6 mark against Madison at 8:30 tonight in the first round of the Granite City regional, Lincoln finished at 7-16.

The Explorers were paced Friday by Jim Jackson, who collected 24 points, 16 of them from the free throw line, and who limited Lincoln's Billy Hatter to just four.

Lincoln outscored the Alton school by 12 points from the field, but was charged with 30 fouls, a department which has been the Rams' undoing all season.

Marquette converted 35 times from the charity line and 18 of those tosses were wrapped up in a 29-point fourth period.

GC, Madison And Edwardsville Among Challengers; Play Begins Tonight

Top-seeded Collinsville, defending champion Madison, Edwardsville and Granite City are rated as the teams with the best possibilities of emerging from the tough Granite City regional basketball tournament, which gets underway at 7 o'clock tonight at the GCHS memorial gymnasium.

The Kakoks bring a 21-2 record into the five-night tourney, best among the eight teams entered.

Second-seeded Granite City, after finishing the season with three straight victories, is 15-9; Edwardsville stands 16-6 after losing Saturday to Centralia, the state's No. 1-ranked team; and Madison is 15-8 despite losses in its last three games.

Combined 99-60 Record
Collinsville should not face much of a challenge from Alton in tonight's first game. The Shells have a 2-21 record. Despite this, the combined season marks for all eight teams shows 99 wins and 60 losses.

Madison will play Marquette of Alton (16-6) winner of the Venice district finals Friday night.

Next Stop: Wood River
The Granite City titlist will go on to Wood River and a sectional tournament involving regional winners in a game scheduled for 7 p.m. tomorrow, while third-seeded Edwardsville tangles with Alton (8-14) at 8:30 Tuesday.

Monday night winners are matched at 8 p.m. Wednesday, while Tuesday survivors clash Thursday at 8 p.m. The championship final will be played at 8 p.m. Friday.

Sectional Contests At Wood River
are scheduled March 13 through 15, with the champion moving east to the Salem sectional, where a clash with Centralia appears likely. The Orphans can live up to their No. 1 ranking in regional and sectional play.

The Salem survivor will play the West Frankfort supersectional winner in a first game of the state quarterfinals at the new University of Illinois field house in Champaign on March 22.

Another Good Field
Another top-flight regional begins tonight at East St. Louis, host to eight schools from this district's southern part, which has produced only a few first-rate teams in recent years.

The 1963 field is a talented one, however, with first-rated Belleville due to get some stiff opposition.

The Maroons play Mascoutah tonight, with Belleville Cathedral and Freeburg meeting in the quarterfinals. On Tuesday, Cahokia and Assumption of East St. Louis meet in the first game, followed by a Lincoln of East St. Louis-East St. Louis match.

Lincoln, Cahokia, Cathedral and Freeburg are all ranked as spoilers in Belleville's attempt for a third straight regional title.

Seven Foul Out
Seven players fouled out of the Venice-Lincoln contest, including four of Venice's starters, as 35 fouls were whistled, 20 of them in the last quarter.

Venice, which finished with a 10-14 record, grabbed the lead early in the first quarter and hung on until a bucket by Billy Hatter showed the Rams ahead 22-21 with 3:45 left until halftime. After that, the Rams were never headed.

Hatter strung six quick points in the third quarter for a 34-40 lead, and finished the night with 31, two less than his best scoring night of the season against St. Paul of Highland.

Lincoln also pressed all the way, but fumbled away numerous scoring chances in the first quarter before settling down for 23, 20 and 20-point efforts in the last three periods.

Marquette-Lovejoy's scoring: Marquette — Jim Jackson 15, 30-26 halftime deficit to tie the

game at 44-44 with 38 seconds left in the third period and then took a 48-46 lead, their first of the game, with 7:37 left.

The advantage sea-sawed back and forth in the next four minutes, and another tie developed with 3:52 left, 58-58. Then Jackson hit two free throws and the Explorers pulled steadily away as four Lincoln players went to the bench with five personal fouls.

The scoring Marquette — Jackson 24, Beeler 11, McConnell 11, Matthews 8, Thien 6, Clancy 4, Bolin 4, Brantiff 4, Perry 3, Duggan 6; Lincoln — Turner 21, Dillon 15, Wooten 6, Calvin Dixon 8, Alford 6, Hatter 4, Alvin Dixon 3, Taylor 2, Jackson 0.

Bechtold's Fourth Quarter Flurry Leads Maroons Past Madison, 68-54

Roger Bechtold, the little man who wasn't there for three quarters Friday night, poured in 14 points in the final eight minutes to snap Belleville out of a lackluster performance and lead the Maroons to a 68-54 victory over host Madison.

It was the final game of the regular season for both clubs. Coach Jerry Turner's outfit will take a 22-3 record into a first-round East St. Louis regional contest with Mascoutah tonight, while Madison won't play another game until the Granite City regional game.

Bechtold, a 6-1 guard, scored only six points over the first three periods Friday as Belleville played listlessly and maintained a slim lead only because Madison had a poor shooting night.

12 Straight Points
Then the senior backliner, who played a big role in the Maroons' sectional final decision over a previously unbeaten Madison team last year, filtered through the Madison defense for five field goals and added four free throws, scoring the first Maroon fourth-period points to stake Belleville to a 10-point lead.

Taking a cue from Bechtold, Maroon teammates awoke from their slumber for a 23-point fourth period, biggest by either

team, and won going away without Bechtold, who fouled out with 2:20 left.

Both clubs shot horribly in the rebounding department. "We missed around 40 percent of the shots as he examined charts which showed Madison with 36 rebounds and Belleville 26."

But the Maroons recovered from early inaccuracy to shoot 47 percent in the game. They had six more baskets than did Madison, which fired away at a 38 percent clip from the field. The teams missed 25 free throws between them and both were little better than 500 shooters from the line.

Madison blew a potential eight points in the second quarter by missing on four straight bonus shot opportunities.

Belleville's jayvees edged Madison 73-73 in the preliminary game, although the Juniors had four players in double figures, led by Gary Skinner's 22 points.

The varsity scoring: Madison—Bill 19, Hayes Wright 9, Clint Robinson 6, John Summers 6, Ted Fisk 4, Skinner 4, Luke 4, Tom Lubak 2, Gerald Massie 0; Belleville—Bechtold 10, Dave Hennard 12, Hermann 9, Jowett 9, Steve Smith 8, Mueller 6, Les Lund 5.

Jowett gathered splinters all through the third quarter, too, but the Maroons, who seem to play only as well as they have to, filled in with a six-point period without him.

Madison Police Solve 5 Thefts With Pair's Arrest

Madison Police solved five burglaries with the arrests of two teenagers and Granite City police nabbed a 15-year-old boy for a house burglary last week. Several other thefts occurring in the Quad-Cities over the weekend are being investigated. Investigation by Madison police led to two arrests at 10 a.m. Friday and solving of five burglaries in that city.

Signed confessions were given by Charles Albert Barney, 17, of 210 5th street, Venice, and James Davis Jr., 18, of 1018 Douglas street, Venice. Evidence was forwarded to the state's attorney's office and the two were released to the custody of their families Saturday.

Three of the burglaries occurred at the Madison Coal and Feed Co., 1332 State street, on Nov. 2, when about \$20 in change was taken from the cash register; Nov. 24, when \$40 was removed from the cash register; and on Nov. 25, when checks for \$174 and \$126 were stolen.

The two teens obtained a crowbar, hammer and seven pocket knives from the B and E Planning Mill and Supply Co., 1228 State street, Dec. 24. On the same occasion, they took two electric drills, a torch and a soldering iron from B and E and hid them in a field near the Owens-Illinois plant, when returned to the field the following day, the items were gone.

The other burglary, Nov. 30 at the Seven-Up Bottling Co., 204 State street, netted nothing. Davis and Tommy Williams, 17, of 1211 1/2 W. Wright Home, Venice, admitted unsuccessful attempts to cash the two Madison checks at the First National Bank of St. Louis. Davis said he tore them up on a bus while returning here today.

Boy Questioned In Theft
The theft of three small banks containing \$26 in change was reported Friday by John Whitehead, 202 Dewey avenue. The theft took place in a burglary of his home Thursday. A 13-year-old boy was arrested in connection with the theft and returned to youth authorities, police said.

Auto Stolen And Found
A 1957 auto belonging to J. M. Carrio, 2612 State street, stolen off a lot at 2600 State street Friday night, was found by police at 21st and Benton streets, where it had been abandoned. The owner told to police it had been driven 50 to 60 miles.

Luther King of Caseyville reported to police yesterday afternoon that a white 1959 auto that had been left in his custody by an Army Depot soldier who had been transferred, was stolen from the vicinity of the depot gate since Friday.

Money Changer Ripped
Granite City police investigated the theft of an undetermined amount of money from a coin changer at a laundromat in the 800 block of Niedringhaus avenue. The theft was reported Friday morning. It took place during the night.

Attempted Break-In
The front door glass at Branding's Service Station on Niedringhaus avenue was smashed Sunday morning, but entrance was not gained. A resident of the area told police of seeing three boys on bicycles in the vicinity of the station.

Awakened about 10:35 p.m. Sunday by a noise, Norbert Schade, 2814 Dogwood drive, saw a light at his front door. Police were summoned and pry marks were found on the door. Entrance was not gained.

Shirts Stolen
Dean Cary of Caseyville told police that five dress shirts were stolen from his auto Friday evening while it was parked on a lot at the rear of a store in the 1300 block of 15th street.

Ragan Romps In Classic Final, 87-72

Defending champion Ragan Lumber Co. has again won both trophies offered in the Granite City park district's Classic basketball league.

Ragan, with the regular season trophy already tucked away, claimed the playoff award Thursday night at the Prather JHS by trimming Bowland 87-72 in the post-season elimination final.

The club finished with a 13-0 overall record. Thursday, Ragan eased ahead 38-34 at halftime and then pounded down the stretch to its final 15-point margin. The winners were led by Bob Miller's 29 points, while Dan Graville added 20 and Dan Hrysko 15.

Bowland, the "B" division regular season champion, got 21 points each from John Bassarich and Jerry Wintjen, plus 19 by John Draper.

Girl Scout Week Events To Begin Here Sunday

Quint-Cities Girl Scouts and Brownies will attend church services in uniform next Sunday, signifying the beginning of Girl Scout Week. The week's events mark the 51st anniversary of Girl Scouting.

Sunday afternoon, there will be an open house at the River Bluffs Council scout office, 105 North Main street, Edwardsville, from 3-6 o'clock. The public is invited.

Monday, March 11, has been designated as "Homemaking Day" and Tuesday — actual birthday of the scout organization — will be "Citizenship Day."

Scout troops will conduct flag raising ceremonies at their schools Tuesday.

The annual International Friendship Dinner, a traditional highlight of scout week activities, will be held at 6:30 p.m. Thursday, March 14, at the Niedringhaus Memorial Methodist Church. Adult scout leaders will provide foreign food and dress in native foreign costumes.

Wednesday will be "Health Safety Day" and Friday has been set aside as "Arts and Crafts Day." A tree planting ceremony will be conducted in Wilson Park on Saturday.

Jesse Ramsey, 63, Dies Unexpectedly At Home

Jesse Ramsey, 63, of Chouteau, died about 8 a.m. Friday at his home. An inquiry conducted by Deputy Coroner Henry Pieper listed the cause of death as a coronary occlusion.

Mr. Ramsey, a native of Perry county, Ind., moved to Granite City from St. Louis 10 years ago. He was a maintenance man for Missouri Portland Cement Co. and had been under a doctor's care.

Survivors include his wife, Alice; three sons, Jesse W. Ramsey of Minneapolis, Minn., Charles W. Ramsey of the U. S. Marine Corps on Okinawa, and Howard R. of St. Louis; two daughters, Mrs. Annette Dreyer of Jennings, Mo., and Mrs. Betty Kerls of Texas; two stepsons, Vernon Riggs of Granite City and Richard Riggs of St. Louis; a stepdaughter, Mrs. Norma Brats of St. Louis; and two brothers, Cecil Ramsey of Hammond, Ind., and John Ramsey of Montana.

Funeral arrangements are given in today's obituary column.

Second Street Mishap

Manslaughter Verdict In Death Of GC Newsboy

A coroner's jury ruled the death of Gerald Wayne Snyder, 14, of 2823 Denver street, manslaughter and recommended that Charles L. Mucho, 28, of 2437 Adams street, be held for grand jury action.

The inquest into the death of the boy on Feb. 23 was held Friday night along with two other inquests into traffic deaths on the same date. All were conducted by Deputy Coroner Henry Pieper.

The jury ruled that the boy died of a skull fracture and internal injuries when struck in the 2300 block of Adams street by an auto driven by Mucho. Mucho is free on a \$1000 peyopoly bond. He was booked for reckless driving and intoxication.

On the advice of his attorney, Mucho did not testify at the inquest.

Patrolman Joe Barchsky, who investigated the accident testified that Mucho was hellegrat at the scene and refused to identify his auto as the one that struck the boy.

Barchsky said he believed the point of impact to have been in front of a driveway at 2316 Adams where wire spokes from the cart with which the boy was delivering newspapers dug into the pavement. From that point to the point where the marks ended was a distance of 282 feet, he said, and from the smashed cart to the boy's body the distance was 82 feet.

The policeman described damage to the auto. He said a headlight was broken, the bumper

pushed in and the hood dented in two places. There was blood on the hood and fender, he said.

Two Adams street residents, Ray Butler and Thomas Bryarly, also testified. Both described the impact as sounding like a small explosion.

Bryarly said the newsboy had been at his door only a few minutes before, had left a paper and collected his money. The scattered newspapers began in front of his house, the man said.

According to Bryarly, Mucho's auto turned at 24th street after the accident, drove back down to 23rd street, turned around again and stopped in front of his house. He said there were newspapers hanging under the auto.

The jury ruled the death of James L. Keel, 24, of Collinsville, accidental and due to a skull fracture and internal injuries. He was killed when his auto struck a utility pole on Edwardsville road at 21st street Feb. 23.

The death of William Sapho, 35, of East St. Louis, also was ruled accidental, due to a skull fracture. He was killed Feb. 23 on U. S. Highway 67A, south of Madison, near the Bend road intersection.

Retired Nesco Foreman, Klund, 79, Dies

Edward John Klund, 79, a retired foreman at the old Nesco plant, died about 8:30 p.m. Friday at an Alton hospital where he had been a patient two years.

Mr. Klund was a native of St. Louis and lived here 65 years, formerly residing at 1712 Edison avenue. He was single. He retired when the Nesco plant closed.

Survivors include two sisters, Mrs. Lena Stein of Wyaconda, Mo., and Mrs. Annie Miller of Frankfort, Ind.; a nephew, Clarence McGahan of 14 Bermuda lane, and two nieces, Misses Agnes and Ruth McGahan, 2338 Grand avenue.

Funeral services were held this morning. Further information is in today's obituary column.

Winter Employment Here Steady. ISES Reports

Mixed trends among 62 reporting firms resulted in virtually unchanged employment conditions in the Quint-Cities from mid-November to mid-January, according to the Illinois State Employment Service.

Malcolm A. Thompson, manager of the Granite City ISES office, said employment at both manufacturing and non-manufacturing firms remained about the same during the 60-day report period. He said overall employment was up by about 350 over January 1962.

A seasonal loss of employment in primary metals manufacturing was balanced by a proportional gain in the manufacture of transportation material, ISES reported. A seasonal decline in contract construction was offset by a gain in finance, insurance and real estate employment.

The estimated number of un-

employed dropped from 1900—including 625 women—as of Nov. 15 to a mid-January figure of 1775, Thompson said. The January estimate included 550 women.

Of the 62 firms included in the ISES survey, 24 are manufacturing firms and 38 are non-manufacturing. Total employment reported at all firms on Jan. 15 was 15,621. Similar figure for Nov. 15 was 15,619, Thompson said.

He said in January 1962 the reporting firms had 15,271 employees, of which 1724 were women. Unemployment at that time was estimated at 2250, including 650 women.

Reporting firms indicate only minor changes in employment during the months ahead, ISES officials concluded. A slight drop in primary metals manufacturing employment is expected to be offset by a seasonal upturn in food and kindred products employment.

The meeting will be the first for three new board members, William L. Harris, Edward N. Juneau and Marion E. Wilson.

Optometrists Observing 'Save Your Vision' Week

The American Optometric Association is calling public attention to the importance of safeguarding vision during the annual observance of its 'Save Your Vision' week, which will continue through Saturday. Dr. Stanley Maer, Granite City optometrist who is vice-president of the IOA, said that there is a direct relationship between poor vision and waste, with accidents and slowdowns often caused by a worker's vision deficiency.

Dr. Leo Roman, member of the Southwestern Illinois Optometric Society, referred to 'supermarket eyes' as a prevalent condition which causes shoppers to select the wrong items, a problem which has become so common that a science of packaging and design has actually developed because of it. The optometrists urge regular yearly visits to qualified visual experts for thorough examinations to make a part of every individual's physical fitness and self-improvement program.

\$263,000 School Lunch Income, \$250,000 Costs

During the first five months of the 1962-63 school year, Granite City school cafeterias showed a net 'profit' of \$12,395. Except for \$38,963 worth of surplus federal commodities, there would have been a \$24,467 loss, a financial report shows.

Income totaled \$263,289, and spending of \$250,993 included \$131,743 for food, \$106,323 payroll, \$4634 supplies, \$4104 operating expenses, \$3147 for shipping of commodities, \$1356 repair and installation costs and \$382 for new and replacement equipment. Current inventory is valued at \$33,254 in purchased food and \$31,550 in commodities.

Child Care Costs May Be Deductible

Taxpayers who pay for care of children or others physically or mentally incapable of caring for themselves may be able to deduct such costs for tax purposes. District Internal Revenue Director Jay G. Philpott said today. Such deductions are allowed if such care is to enable the taxpayer to be employed or actively to seek employment, Philpott said. The deduction may be claimed by any man who is a widower divorced or legally separated under a court decree, or by any woman subject to certain limitations.

In order to claim such deductions, a taxpayer must itemize his claim. The deduction may not exceed \$600. Married women must file a joint return with her husband and reduce the maximum \$600 deduction by the amount their combined adjusted gross income exceeds \$4500. The latter rule does not apply, Philpott said, if the husband is incapable of self-support due to mental or physical cause.

Taxpayers who have any question on the subject may get a booklet "Child Care," or call or write the nearest Internal Revenue Office.

Sixth Ward Voters:

Most of you probably read in the Press-Record that I withdrew my petitions of candidacy for Alderman in the 6th Ward. I would like to take this means of thanking those of you who signed by nomination papers and to explain my reason for withdrawing.

Because of the large number of candidates (6 had filed), I felt that my running could possibly cut the vote up so that we would have no change of representation in our ward. Then we would be exactly where we are now — and I don't think I have to elaborate on this point. WE DO NEED A CHANGE!

I have had a good many talks with Mr. Harbarger and we agree on most issues facing this ward and the city. Kenneth Harbarger is, in my opinion, the man for the job and the person who could and would do the most for us in the 6th Ward. I am therefore giving him my full support. I appeal to all my friends and all voters of this ward to actively support a man who will go to City Hall as a truly independent representative of the people.

Just as his campaign pledge states, I honestly believe that Ken Harbarger Will Be A "Working Alderman."

Thank you sincerely,
HAROLD L. HARPER

Senate Bill Proposes Aid To Disabled Employees

Employers of six or more persons would be required under a bill offered in the Senate of the General Assembly last week to give compensation coverage to those employees who are disabled and unable to work and who are not covered by unemployment compensation. The measure was introduced by Sen. Paul Simon (D-Troy).

The proposal, Simon said, will leave the state an estimated \$20 million per biennium, now paid out to workers who are disabled and unable to work and who are not covered by unemployment compensation. Sen. Simon said he had been informed that only about 75% of employed persons are now covered by unemployment compensation insurance, leaving an area of 25% uncovered.

Four Southern Illinois senators were co-sponsors of a bill this week to prohibit differences in salaries and wages based solely on sex of employees. The four are: Sen. Alan J. Dixon (D-Belleville); William Lyons (D-Gillespie); William Grindle (D-Herrin); and Paul Ziegler (D-Carmi). The State Labor Department would have charge of administering the proposed law. Girl's Age For Marrying — Ages at which females may get married in Illinois with or without their parents' consent are increased under a bill by Rep. Ralph T. Smith (R-Alton). The bill increases from 18 to 21 years the age at which a female may get married without parental consent, and from 16 to 18 the age of marriage with a parent's consent. The bill would void any marriages outside these age classifications.

Other new legislation by South Central and Southern Illinois members this week, included:

Gas Line Tests In GC Scheduled This Week

A survey of gas lines in the downtown area of Granite City is scheduled to be started this week, possibly Monday, to determine if there are any leaks.

A spokesman for the company said it is a special survey being done in East St. Louis and Belleville and is due here. The work is being done in order to eliminate traffic tieups.

The equipment is a sensing device which can detect as little as one part of methane in a million parts of air. As the unit moves above the concrete street surface directly over the underground lines, a moving pen traces a "picture" of the pipe's condition and operating efficiency.

The unit pinpoints gas leaks, determines the size of any leak, however small, and establishes the area where there are no leaks.

About three days will be needed to complete the survey.

Senate Bill Proposes Aid To Disabled Employees

By Sen. Simon—amends state personnel code to put highway maintenance supervisor in State Public Works Department under personnel code; by Sens. Grindle and Gordon Kerr (R-Brookport)—amends school code in relation to establishment of high school attendance centers; by Sen. John Gilbert (R-Carbondale)—extends time for employees to pay for first year under state pension plan.

Park District Code Amendment
By Sen. Madge Green (R-Palmer)—amends park district code in relation to disconnection of certain areas from park districts; by Sen. Simon—amends state salary withholding act to include withholding on and after July 1, 1964, for payment to any credit union, the majority of the membership of which is composed of state employees.

By Sens. Kerr, Ziegler, Lyons, Grindle, and Paul Broyles (R-Mt. Vernon)—amends municipal code to increase tax levy permission for fire protection districts; by Sens. Ziegler, Lyons, Grindle and Grindle—prohibits discrimination on account of age or sex of employees; by Sens. Grindle and Lyons—prohibits use of certain plastic for packaging merchandise.

By Reps. Paul Powell (D-Vivian) and Clyde Chaste (D-Anna)—amends state insurance code to provide that deposit required of insurance companies shall have "fair market value" equal to the minimum capital required under the act, but not in excess of \$300,000 (and) further amends code with respect to credit allowed as an admitted asset or as a deduction from liability in connection with reinsurance.

Funds Ok'd To Buy Land For State Police Bldg.

Funds have been released by the state to buy land for the new State Police District 11 office building near Maryville on State Route 159 north of the Interstate Route 70 cloverleaf.

Gov. Jenner announced last week at Springfield the release of \$39,480 for the purchase from landowners E. G. Holmberg and Herbert H. Esterlein.

The headquarters now is located at French Village, east of Madison. It serves 10 counties.

Probation Hearings Set For March 8

Probation hearings have been set for March 8 for five Quad-Cityans who pleaded guilty to charges during the current criminal setting in the Madison county circuit court. A motion to suppress evidence against three other defendants was taken under advisement and another man was acquitted. Three cases were continued.

George Spearman, 22, of Madison; Floyd Jenkins, 20, of Venice; and Philip A. White, 19, of Venice, pleaded guilty to a reduced charge of contributing to the sexual delinquency of a child. Their probation hearings will be March 8. Originally they were charged with rape.

Elton Jennings, 21, of Granite City pleaded guilty to contributing to the sexual delinquency of a child. His probation hearing also was set for March 8. The trial of Sidney Seals, 18, of Granite City, charged with taking indecent liberties with a child, was continued to the March setting.

A motion by the attorney for Jack R. McLean, 23, and Eugene Boelling, 24, both of Granite City, and Robert J. Eberhart, 24, of Collinsville, to suppress evidence on grounds of illegal search and seizure was taken under advisement. Monday by the court. They are charged with burglary.

The trial of Bobby Gene Arms, 22, of the 2100 block of Delmar avenue, was taken from the February setting of the court. He is charged with raping a 12-year-old Granite City girl Jan. 8. He is under observation at Alton State Hospital.

Garry Goben of Venice pleaded guilty to a charge of possessing narcotics. A probation hearing was set for March 8. The trial of Charles Matthews, 33, of Venice, similarly charged, was continued to the next setting.

Larry Ash, 22, of Edwardsville, was acquitted of robbery. His trial lasted two days. Ash was accused of taking part in the strongarm robbery and beating of Ernest J. French, 31, of Granite City, in January. Charged with him was Ivan Foster, 21, of Edwardsville, who pleaded guilty. Foster's probation hearing will be held March 8.

Safety Factor of Arsenic

Fluorine Zero
"FLUORINE interferes with the normal calcification of the teeth, during the process of their formation, so that the affected teeth, in addition to being usually discolored and ugly in appearance, are structurally weak and deteriorate early in life. For this reason, it is especially important that Fluorine be avoided during tooth formation, that is, from birth to the age of 12 years."

Meeting Old Words

JOHN W. ALLEN
Southern Illinois University

A recent chat with a rugged plain-spoken, old Gallatin county farmer almost turned time backward. The subject of the chat came by accident than by plan, and ended up having to do mostly with words. After all, many unplanned meetings have a habit of taking unexpected and pleasant turns.

The farmer was driving a spanking team of horses, a rather rare sight. It was pleasing to see the sturdy, well-kept team of bays. Favorable comment concerning the team, referring particularly to the lead horse, seemed to please. Perhaps beginning the remarks by referring to the horses as "lead" and "off" helped some. Anyway, the conversation was sprinkled with the farm jargon of about 1900, a manner of speech understood by both.

At that time the left side member of a team was described as the lead, high or near horse. The other was on the right or off side, a term rarely used now except at football games where it has a far different meaning. The conversation soon became filled with old words that came tumbling out of memory. Each readily understood the other when he used such words as bat-racks, plugs, jugsheads, cro-bait, butterbats, or said that an animal's ribs stuck out like freshly plowed furrows of new ground.

The conversation became almost solely one about words. When it was said some men seemed to delight in chewing the rag, locking horns or talking turkey, the meaning was clear. Also, each understood when it was said that some got their dander up, or appeared to have sand in their craws. This was particularly true concerning a man with a hair-trigger disposition or one with a chip on his shoulder. Men of that type wanted to dig up the tomahawk instead of burying it. They seemed to think that someone was trying to horn-swaggle or buffalo them. It was not unusual for one of them to cut a rusty or even to cut his galluses and go straight up.

Transportation-wise each understood terms like lizard, mud-boal, log-wagon, log cart, drag hooks, buckboards, and what a log sled was. Both understood what it meant when one hooded in, took leg bait or yamoused in the shank of the evening. Some of those doing so simply burned the wind, not taking time to move their plunder.

When one went sparking it was said that he was trying to trap a squaw. As often as not, he was sacked or given the mitten. What did that mean? What did it mean when a man decided to ditch the whole shebang? In plain English, how would you explain the statement that two men went in cahoots to make doctunies, only to have everything go haywire? What opinion concerning a man was implied when you were told to look for wood in his teeth? Picture the situation when a visitor was invited to fight. A surprise situation might cause a boy or man for that, to have hickety or a buck-ager. What was a brow-band or throat latch? Compare a square then and one now.

When you started out to clean a man's plover, what was the objective? Maybe he only wanted to put a spoke in his wheel, or a sprag. Filly had two meanings—what? If you planned to go gunning for someone, should you go well-heeled?

When was a cow a mule? Was one feeling just fufable as poorly as one who felt daunsy? How far was two whoops and a hollee? What were fried shirts? What was grub? Larrap had two very different meanings.

What was your John Henry? A swag? Who were the trying size? Describe a sun grin. If a man were told to go to the woods and smoke out logs, what equipment should he take along? When did one take to the tail

Engineers Release Data On Harbor At Grafton

An information pamphlet is being released this month by the St. Louis office of the Corps of Engineers pertaining to acquisition of real estate for construction of a small boat harbor on the Mississippi River at Grafton, Mo. Alfred J. D'Arco, district engineer, said copies are available at his office, 420 Locust street, St. Louis. The pamphlet is to inform residents of the area of the tentative timing of the large-scale construction.

To be constructed are an L-shaped breakwater, a downstream entrance channel and a maneuvering channel. Local service facilities are to include a berthing area, a parking and service area and walkways and steps.

Two Charged With Speeding

Two motorists were arrested on charges of speeding at 25th street and Madison avenue about 5:50 p.m. Saturday. They were Donald Baker, 17 of 2813 Madison avenue, and Stanley Earlhart, 31, of 2124 Grand avenue.

Two Traffic Charges

Charges of speeding and careless driving were placed against Ralph Hardman, 31, of East St. Louis, who was arrested Sunday night at 21st street and Madison avenue. He posted his driver's license as bond.

Young Lucerne Musicians Deserve 'Masters' Titles

By John McCabe Moore
The Lucerne Festival Strings, headed by Rudolf Baumgartner, performed the second of the present season's concerts last night at the Granite City high school auditorium.
The strings is a group made up of young master musicians from the famous Lucerne Conservatory of Switzerland. Their vivacity, technique and interpretive genius well-justified their being described as "masters" by eminent critics.
The program opened with a Correll concerto which was brilliant, light-filled and melodious throughout. The slow movement was of most outstanding beauty. This music, 350 years old, has a freshness still unique, and Correll remains, as in his present style, a stylist whose ideals are distinct. The Lucerne group showed its mastery, comprehension and sympathy to best advantage here.
Henry Purcell, whose church music is popular after nearly 300 years, wrote the Chaconne. A rich and unusual melody gives it an individuality and majesty which is well-understood by the musicians, whose performance evoked audience enthusiasm.

Soloist Featured
The Adagio and Rondo Concertante featuring pianist Heiner Reitz, was written by Schubert at the age of 19. The immortal master of melody interwove here a magic spell for the interesting effects and qualities of the work are so many as to make it indisputable. The Lucerne group delicately showed the profundity, naturalness, ease and gentleness of Schubert.
The group did justice to the Divertimento of Mozart (written when the composer was sixteen). The essential grace and color of Mozart were fully evident.
Debussy's composition for chromatic harp and string orchestra represents the finest of its kind in the present century. Strangely adapted from "sacred dances" it featured the solo harp and furnished a novel interlude.
A Vivaldi Concerto was the final soloist feature. The great interest of this performance arises from its employee of four soloists, who had varied combinations among them as well as solo, going from the profound to the serene to the rickling.
A short Rumanian Folk Dance was furnished in encore. The audience was fully appreciative of the masterful strings group.

4-H WEEK, CRAFTS DISCUSSED BY UNIT
The Eschler Boyer unit of the Madison County Homemakers Extension Association held a regular monthly meeting Thursday afternoon in the home of Mrs. Doris Wilson, 2236 Benton street, with Mrs. Hazel Atchinson serving as co-hostess.
Mrs. Margaret Todoroff, chairman, conducted the business meeting. It was announced that National 4-H week will be observed March 2-9 with window displays to be at the P. N. Hirsch store, Granite City Trust and Savings Bank, Bellemeor Ben Franklin store and Bellemeor Sporting Goods store. On March 5, displays will be shown at 19th and 20th streets. The 4-H and 4-H girls will model clothes made by them, at a building at that time.
Mrs. Helen Civar, craft chairman, brought a sample hood made by the unit. A work shop in Edwardsville, Feb. 22, she explained in detail how to make such a hood.
She announced that craft day will be held by the unit at the next regular meeting. This will also mark the birthday of the unit. This meeting will be held at the home of Mrs. W. E. Hickman, 45 Terrace lane, Mar. 28.
Mrs. Mary Kewch, assistant home advisor, presented the major lesson for this month, entitled "Art in Your Home." Following the lesson, Mrs. Jean Ross gave a true or false quiz on "Tipping."
Mrs. Todoroff, who was unable to attend the January meeting, gave the lesson planned for that month, "How To Use a Tracing Wheel."
Members attending were Mesdames Kay Acquaviva, Lillian Adams, Elenora Barnhart, Mary Chesney, Irene Davies, Margaret Fife, Maxine Hicke, Lillian Hurwitz, Lorraine Joshi, Hazel Pellet, Edith Rawls, Lillian Tachibana, Roni Turpak, Ted Wallen and Myrtle Hickman.
Guests were Mrs. Florence Rapp from the Trio unit, Mrs. Maxine Duniphan of Mitchell and Mrs. Marilyn Deatherage who joined the unit as a regular member.

Farmers May Sign Soy Bean, Corn Contracts

The first of a series of meetings was held by the county unit, National Farmers' Organization, Thursday night at Fostertown, Ray Berg, staff organizer, of Highland, was the speaker. James Horne, Madison county chairman, presided.
Three more meetings are scheduled to be held. They will be tomorrow at National hall in Edwardsville, Thursday at County hall in St. Jacobs, and next Monday at Legion hall in Alton. All are set for 7:30 p.m.
Members were advised to attend one of the meetings to sign contracts for soy bean or corn they wish to offer for sale through contracts received from the national NFO office. Any farmer may attend to hear reports of progress being made on grain, live stock and milk bargaining.
A report will be made on the recent collective bargaining article by the Doane agricultural service as well as the recent turn of events at the National stockyards.
A public meeting with national president, Oren Lee Stone, as speaker will be held in the Women's Bldg. at the Bond county fair grounds at Graniteville at 7:30 p.m. Friday. The event will include a whole hog barbecue and fish fry.

Boy Scout Fair Slated For Depot May 31, June 1

The Granite City Army Depot has been selected as location of the 1963 Scouting Fair of the Cahokia Mound Boy Scout Council Friday, May 31, and Saturday, June 1. Council Executive Eugene Coe has announced.
Each unit currently is deciding what type of display or demonstration to present. Applications for booth space are to be mailed before March 30. Next will come actual preparation of the exhibits and the sale of tickets.
"Action" demonstrations will be featured, and some of the Scouters will participate in a "big top show" under a canvas tent. Cub packs, scout troops and explorers will present such attractions as Indian dances, tumbling and circus acts.
This year's fair is expected to be in a "gigantic, action-filled exhibit of the scouting program" and tell the story of scouting to their parents, friends and neighbors.
Proceeds will be shared by the participating units.

Sudden Illness Fatal To Theodore Eaker, 54

Theodore Eaker, 54, of 2243 Delmar avenue, died about 12:30 p.m. Thursday at his home after becoming suddenly ill at work. His death was attributed to a heart attack.
Mr. Eaker, a lineman for the Illinois Power Co., returned home from work about noon, his wife said. She said he believed he had the flu and went to bed. He had not been ill previously.
An inquiry was conducted by Deputy Coroner Henry Pieper, who said death likely was caused by a coronary occlusion.
Mr. Eaker, a native of Buchanan, Mo., had lived in Granite City for five years. He had lived previously in Edwardsville and St. Louis.
Survivors include his wife, Edna; two brothers, Francis Eaker of Kankakee and Doyle of Las Vegas, Nev., and two sisters, Mrs. Thelma Hagerty, Galesburg, and Mrs. Rosemary Bargmann of Pekin.
Funeral services were conducted Saturday afternoon at a Piper City, Ill., funeral home. Interment was in a cemetery there.
An obituary notice appears elsewhere in this issue.

Soldiers Charged After Venice Traffic Mishap

Two Granite City Army Depot soldiers, both members of the 574th Engineering Co., were arrested on multiple charges after an auto driven by one of them struck two parked vehicles in the 1000 block of Douglass street, Venice, early yesterday.
Barrett's auto struck the door of Booker T. Holliday, 1018 Douglass, and John Teal of 1018 Douglass. All three vehicles were damaged. When police arrived, they said, Barrett, 22, was driving. He was charged with driving without a license, making a false report, destruction of property and careless driving. The passenger, Shirley Williams, 22, was charged with disorderly conduct and being an accessory to a false report.

February Exhibit Held Over To March

An exhibit prepared by second graders at Lake school for February is being kept in the hall, this month because of its unusualness.

The youngsters, supervised by their teacher, Mrs. Lela Runck, built a town representative of Lincoln's time with a log church, a general store and a covered wagon and stage coach in the street.

Also prepared for the hall bulletin board was a display of pictures of the 34 presidents and stories about each president written by the children.

The youngsters on the committee for the displays were Roland Pringsten, Jeffery Caban, Deborah Hadley, Robert Swigert, Susan Miller, William Karius, Bradley Campbell, Raymond Riddle, Thomas Ostresh, Dava Duhann, Terry Spaulding, Sherry Yokley, Susan Miller, Rhonda Hollis, Michael Reisinger and Ronnie McKee.

SECOND GRADERS at Lake school are maintaining their February display into March in the school's hallway. It features not only an Abraham Lincoln village but also pictures of all presidents and stories written by the youngsters.

The guest speaker was Robert Holton, a teacher, who spoke on the school board and teacher problems in the Granite City system.

Legislative Review

(Special From Springfield)

A \$63.4 million slash in Illinois Public Aid relief spending for the 1963-65 biennium and state advancement of two judicial reform bills highlighted activity in the Illinois General Assembly last week.

The Illinois Budgetary Commission which trimmed millions more from budgets for state education and mental health.

The commission, headed by Sen. Everett R. Peters (R-St. Joseph), by a vote of seven to five, reduced the \$701,500,000 IPAC budget request to \$648.1 million, in face of an insistence by IPAC Chairman Arnold H. Marmont that the state has plenty of funds and that to reduce the relief group's planned spending for the biennium will imperil the state's relief program.

The 7.5 vote was on party lines with Rep. Peter F. Gramlich, Chicago Republican, chairman of the House Appropriations committee voting against the bill. It was supported by Senators Downing, Peters, Bidwell, and Hart, and Representatives Brydia, Pollack and Willett all Republicans. Opposed were Senators Cronin, Deane and Sweeney, and Representatives Powell and Choate, all Democrats.

Chairman Peters said the reduced figure of \$638.1 million should suffice because of "fat" in the budget.

The IPAC request and through hoped-for passage of two bills introduced in the House this week.

The call for taverns to refuse sale of alcoholic liquor to relief recipients and to bar taverns from cashing relief checks. Penalties would include revocation of tavern liquor licenses.

Aid To Children Cut

Biggest cut in the relief spending was \$45,600,000 in the aid to dependent children budget item. Another slash of \$9,600,000 was in general assistance. Others included \$315,000 in old age assistance; \$180,000 in relief for the blind; and \$3 million in disability aid. Another cut was in administration of relief—\$1,925,337.

Further decision on the reduced relief budget as well as those for education and for mental health will go to Gov. Otto Kerner who also is opposed to the cuts. Action of the commission however, is only advisory.

If the state administration insists on its original request for \$701,500,000 in its relief appropriation, the General Assembly will make the final decision.

Senator Peters said it was either higher taxes or cut the budget requests. He pointed out the figure approved by the commission is higher than the one allowed for the current biennium which ends this June 30.

The State Mental Health Department biennial money request was reduced \$7.6 million, and the State Board of Higher Education for the six state-owned universities was approved. However, the Board cut the universities' request for \$306,910,562 to \$294,751,012 for operation and \$87,670,742 for capital improvements to \$48,823,842.

Court Reform

The court reform bill which the Senate passed and sent to the House where they join other judicial revision bills on the House Speaker's table, would prohibit installation of police magistrates in municipalities of 10,000 or less and bar creation of new city, village and town courts. They were passed 29 to 10, the bare two-thirds majority required for emergency bills.

The House passed a resolution this week calling on Congress to provide special federal aid for states and cities which are receiving a large influx of unemployed persons from other states and nations. The House voted, 110 to 19, to suspend its rules and bypass committee reference, then passed it by voice vote.

Rep. G. William Hensley (R-Ill.) and Allen Lucas (D-Ill.) of Springfield, said the federal government should provide financial aid to states and cities which are faced with the additional burden of caring for persons who come to Illinois from economically less prosperous southern states as well as for increasing numbers from Cuba and other countries.

Sen. Arthur Gottschalk (R-Park Forest) was chief sponsor of a bill this week to provide against what he claimed is threatened infiltration into the hospital field by the crime syndicate. He said he had been advised Chicago criminal elements are seeking to open up in the hospital construction field as another source of illicit income.

Strong Hospital Licensing

Gottschalk's proposal would set up a strong State Hospital Licensing Board which would have tight controls on sponsors of new hospitals and would have authority to ban construction of any new facility where a community shows it is not needed. He said it has the support of the Illinois Hospital Association, State Medical Society, the State Health Department and other groups.

Cosponsors included: Sens. John A. Graham (R-Barrington); Frank M. Ozinga (R-Evanston); Thomas A. McGonigle (D-Chicago); Edward J. Elersbacher (D-Sherbourn); John R. Gilbert (R-Carbondale); Paul Simon (D-Troy); Robert R. Cantfield (R-Rockford); Arthur W. Sprague (R-LaGrange); and W. Russell Arrington (R-Evanston).

County boards would be given permissive authority to require county sheriffs and treasurers to establish civil service in their offices under legislation introduced in the Senate this week by Sens. Simon and Alan J. Dixon (D-Bellefonte). It is backed up to a proposal to allow the state constitution to allow sheriffs and treasurers to succeed themselves (now prohibited).

Attorney General's Legal Opinions Told

Segregation cannot legally exist in public housing projects created under Illinois law, according to an opinion released today by Attorney General William G. Clark. Such segregation, if permitted, would violate the Illinois Civil Rights Act and the federal Constitution of the United States.

Clark's opinion advised William G. Clark, chairman of the Illinois Commission on Human Relations. Several other opinions by the attorney general also were released as follows:

A person can serve simultaneously as a trustee of a fire protection district and as a member of a village board within the fire protection district with two exceptions. The exceptions are when the fire protection district is a village board or when the village board is a fire protection district.

Buildings and other permanent improvements located on leased property should be assessed as real estate. Buildings and dwellings located on real estate leased from the United States government also should be assessed as real estate. Clark's opinion advised State's Attorney William B. Petty of Carroll County.

Other forgery committed on or just before the forgery for which a person on trial are admissible to show intent, guilty knowledge and the method of operation of the defendant, the attorney general advised State's Attorney James V. Cunningham of Peoria county.

A county clerk should forward a report to the Department of Social Security of funds received on behalf of dependent children and pay half the sum received to that department. When the voters of a county have approved a referendum for a new court house and have voted to levy a tax therefor, the county board is then authorized to issue bonds to pay for it.

The financial statement of a county treasurer is to be made at the expiration of the fiscal year but if the county treasurer is no longer in office at that time the statement would be made by his successor. Real estate may be charged with delinquent personal property taxes only by strict compliance with the necessary statutes. Clark held. The state supreme court has set the procedure for such sales of real estate and has outlined the statutory steps to be taken in doing so.

THE REA CO-OPS HAVE GONE TOO FAR!

The Rural Electrification Administration (REA) was organized during the depression of the 1930's to relieve unemployment and to bring electric service to farms and farmers. Rural electrification has, for many years, been a project of both the investor-owned electric companies and the REA Co-ops.

Since the Co-ops were first organized, Illinois Power has furnished them with electric energy at low wholesale rates for resale to farms and farmers. The effort was successful and worthwhile. More than 98% of Illinois farm homes have electric service available.

Today, however, the REA Co-ops have abandoned the original purpose of the Rural Electrification Administration Act. Five out of six of the customers they add are non-farm customers.

And more than half of the electricity the Co-ops sell is for non-farm use.

But, the Co-ops are still borrowing money from REA at Washington at 2% to expand their services to serve the non-farm customers. The money they borrow at 2% costs the Government 4%. As you might suspect, we taxpayers make up the difference.

Now, the Co-ops in Illinois are asking for legislation that gives them exclusive rights in certain areas. At the same time they demand freedom from all regulation. They call this "territorial integrity." It amounts to nothing but UNREGULATED MONOPOLY.

Legislation of the nature the Co-ops ask is totally unnecessary. The Co-ops can obtain full territorial protection under the provisions of the existing law, The Illinois Public Utilities Act.

PTA Council Award Goes To Mrs. Helen Santagato

Mrs. Helen Santagato, 2525 Edwards street, was named outstanding Granite City PTA member of the fifth annual appreciation banquet of the Area PTA Council Thursday night.

Mrs. Santagato was cited for her work with the Webster School PTA unit, of which she has been a member since its organization. She received a life membership award and certificate of appreciation from the Illinois PTA.

The recipient was one of six candidates for the award, which was presented by Ralph Monken, last year's winner. All were nominated on the basis of contributions to PTA work.

Other candidates were Mrs. Eva Meier, Logan school principal; Mrs. Lucile Tadlock, area council president and a member of Marshall PTA; Mrs. Mary Jesse of Frohardt PTA; and Mrs. Elvise Spiceland of Coudie PTA.

The other five candidates received certificates of appreciation and gifts from the area council.

About 100 persons attended the banquet, which was held at the Granite City high school cafeteria. The awards program and entertainment were in the school auditorium.

Entertainment for the evening consisted of music by the Coudie junior high school Latin American Ensemble, a skit by the Webster PTA, and a Can Can dance. Clothing depicting the styles of 1897, the year PTA was organized, and later years was modeled.

Mrs. Santagato helped organize the Webster PTA in 1950, and has since served as president and held a number of other offices and committee chairmanships.

She has also held offices and positions in the area council. In addition to her work with the PTA, she has been active in Boy Scout, Girl Scout and YMCA work.

Vandals Shoot Out Three Windows In A Night

Armed vandals were responsible for breaking windows in two homes and an auto Friday.

Police recovered a .22 caliber bullet that broke a window in the home of Mr. and Mrs. Orbra Rogers, 3272 Franklin avenue. The couple saw a curtain move about 7:15 p.m. as they were watching television. When they investigated, they found the window broken.

Samuel Doty, 2733 W. 22nd street, reported a window on the west side of his house was shot out about 7:15 p.m. apparently with an air rifle.

Harry T. Tongay, 1920 Joy avenue, told police his wife was driving in the 1950 block of St. Clair avenue about 9:15 p.m. when she heard a loud report. She stopped and found the rear window of her auto shattered, apparently by a gunshot.

Madison School Aid From Government Set

The Madison school district will receive a tentative entitlement of \$11,089 in federal funds for the fiscal year 1963, U. S. Rep. Melvin Price announced today.

The amount will be paid by the Health, Education and Welfare Department through the Illinois Office of Public Instruction, for school children whose parents are employed in federal installations. The amount will be settled after the end of the school year when the average daily attendance of the children has been audited.

The sum of \$8402 was certified for immediate payment to meet current expenses. Most of the federal employees work at Granite City Army Depot.

11 Private Aircraft Take Breakfast Flight

A mass flight of 11 private aircraft, carrying 28 persons, departed from the airport at Lakeside about 8 a.m. Friday.

The aircraft flew in three groups, according to speed. Takeoffs began at 7 a.m. The first group, led by a Cessna, arrived at 8 a.m.

After breakfast and a "bull session" at Flora, the group returned, arriving about 11 a.m.

Chief pilot Chuck Midgett of Lakeside airport said the flight was a great success and will be repeated Sunday, April 7 and once a month during the warm season.

Collision At Intersection

Verna Miller, 64, 3629 Myrtle avenue, was charged with failing to yield right-of-way this morning when she was driving north on a two-lane road at 20th street and Grand avenue. Police said she was driving north on Grand. Driver of the other auto was Ann Moosgen, 32, of 2569 Boyle avenue, who was traveling east on 20th street.

New Pastor Assumes Duties

Rev. Willis Casteel has taken over his new duties as pastor of the Apostolic Pentecostal Church, 14th and Iowa streets. He succeeds Rev. Jack Wilson.

works under construction near Wood River.

Authorities said Broeker was passing a large truck at the time of the crash. He is being treated for the loss of several teeth, a dislocated right hip, cuts and a back injury.

Burke suffered a severe cut to the scalp and head injuries. His passengers were George Stoner, 44, of Collinsville, undergoing treatment of multiple cuts and an injury to his right hip, and John Kottlein, 62, of East St. Louis, who suffered multiple abrasions and cuts and injuries to both legs. He was transferred to St. Mary's Hospital, East St. Louis.

Auto Overturns

Russell Mahoney, 18, of 4900 Melrose avenue, was injured when his auto skidded on the slick pavement on Maryville road near Route 3 and overturned.

Motorist Injured

Clyde Wilson, 35, of 2021 Illinois avenue, was injured Saturday about 3:40 p.m. Friday when his auto struck the rear of another vehicle on L. Williams road, 2412 Delmar avenue, which was parked outside the owner's home.

Auto Shears Off Stoplight

A school and pedestrian traffic light on the northwest corner of Sixth street and McCambridge avenue, Madison, was flattened and torn loose from its base at 2 a.m. Saturday when struck by an auto whose driver had fallen asleep. The northbound car, which had crossed the four-lane pavement, also damaged an Illinois Power Co. pole before coming to a halt.

Mrs. Jeri Ann Sudbeck, 23, of 2708 Lincoln avenue, an employee of the Shop City Bowl, related that she was on her way to work and apparently dozed but did not remember anything about the crash. She was taken by ambulance to St. Elizabeth Hospital for treatment and her car, damaged about the front, was towed away.

Charged with careless driving and destroying Madison city property, the signal light, she posted her driver's license as bond and was released until 7 p.m. tomorrow.

Pranksters stole the dual-unit traffic lights from the crash scene. Police said the lights were notified at 3:15 a.m. Sunday they were on a porch at a home in the 1600 block of Clark avenue. The unit was picked up and taken to the police station.

Crash Disrupts Electric Power

A collision between an auto and an Illinois Power Co. pole at 507 Slough road, Kerr Island, at 1:30 a.m. Friday disrupted electric service to most of the city of Venice for 45 minutes.

The pole was broken in two by an auto driven by Allen Cox, 333 Garner road, Venice, who was injured and was rushed to a hospital. The auto was damaged. The driver was taken to St. Elizabeth Hospital. He was admitted for treatment. There was damage to the front of his father's auto, which was towed to a garage.

Hurt in E. St. Louis Crash
A Granite City, Billie L. Hertz, 21, of 2609 East 28th street, was injured Friday in a crash at 20th and Madison, in which he was riding was involved in a crash at St. Clair street, Collinsville avenue. The driver was Max C. Hester, 31, of Fifth street and Madison avenue. Madison, who escaped injury.

Police was given emergency treatment at St. Mary's Hospital, East St. Louis. The other motorist, Milton Webb, 25, St. Louis, was hospitalized.

Teacher Hospitalized

Edward Volopul, 2029 Lindell street, was admitted to St. Elizabeth Hospital Sunday evening after he was stricken with a sudden illness. He is a teacher at Madison high school.

STYLES OF YESTERYEAR were modeled at the PTA award program Thursday, beginning with those of 1897. From the left are Mrs. Ida Honnfelder, Mrs. Coleen Evanoff, Mrs. Elva Spiceland and Mrs. Gladys Diak. Clothing shown was actually worn during the period represented and has been saved through the years.

Weekend Alarms Keep GC Firemen Busy

Granite City firemen responded to 11 fire alarms over the weekend, most of them on weed fires.

At 6:40 a.m. Saturday there was about \$300 worth of damage at the home of Cleveland Smith, 2141 Monroe. A faulty wall plug to which a vaporizer was attached caught fire and burned a hole in a mattress.

A rubbish fire caused \$75 damage to a garage at the rear of Pete & Mary's tavern, 2409 Lincoln avenue, about noon Saturday. Firemen also were called Saturday afternoon to the home of Mrs. Eva Shearer, 2560 Benton street, where a washing machine motor burned out, causing \$50 damage.

About 11 p.m. Saturday an auto seat caught fire at 20th street and Madison avenue, apparently from a cigarette, causing \$75 damage. The owner's name was listed as Michael Ausic.

Weed fires were extinguished Saturday afternoon in the 2400 block of Kilarney drive, in the East Granite Cemetery and near the canal locks.

Weed fires were extinguished Sunday in the 2800 block of Center street, the 1400 block of Grand avenue, the 3000 block of National avenue, at 2448 Terminal avenue, at Dale and Wilson avenues and at 1333 Johnson road.

Displays At GC Library

Winners Selected In Jr. HS Science Fair Contest

Winners of Central junior high school's third annual student science fair were announced Saturday morning following the judging of displays set up on the ground floor auditorium at the Granite City public library. The exhibits were entered by sixth through eighth grade pupils of public and parochial schools in the fields of biology, conservation, physics, engineering and physiology. They will be on public display this week.

Top winners will be eligible for entry in pre-elimination competition for the Greater St. Louis science fair April 18-26 at the Washington University field house.

In the biology class, first place winning exhibit Teddy Brown and Paula Brown; second place, Beverly Furnley, and third place, an exhibit by Jane Johnson and Deborah Kenny.

In the physics classification, Norman Popmarkoff won first place; Kim Lawson and Donna Fells, second; and Donny Hewlett and Terry Strain, third.

Merit winners with biology displays are Pamela Downey, Janice Miller, Arthur Schaefer, Linda Whistler, Connie Johnson, Maybelle Lee, Wendy Richards, Beverly Schwendemann, Susan Doty, Susan Boyd, Angela Little, Rosemary Hermann, Melanie Kenny and Mary Ann Howard.

Physical exhibit merit winners are — Dan Jamerson, Mike Vaughn, Raymond O'Beir, Patricia Randall, Gregory Pett, Debbie Smith, Benny Johannpeter, Jim Stuart, Richard Strong, Eric Gantner, Sandra Hendricks, Betty Inman, Frances Hockett, Pamela Swan, Darrell Grindstaff, Bruce Bryant, Jeff Jones, Myron Miller, Beverly Campbell, Sheila Harris, Paul Hoffman, Gary Butkovich, Gregory Krismanich, Carolyn Wilson, Brian LaMew, Beverly Furnley, and Joe Tongue.

Judges were George W. Reeves of the First Granite City National Bank and E. R. Applecote of Illinois Power Co.

McManaway Home SCENE OF CLASS SESSION

The Queen Esther Sunday school class of the First Baptist Church met at the home of Mrs. Gertrude McManaway, 1881 Second street, Thursday evening. The meeting was opened with singing of the class song, "Take Me a Channel of Blessings," followed by the group repeating in unison the class colors, scripture, aim and motto.

A season of prayer was held for those on the prayer list. A devotion, "Christian Love," was given by Miss Nora Rogers, followed with prayer by Mrs. Patricia Barlow, the class teacher. Roll call was answered with Bible verses about love.

Mrs. Pauline Cory, class president, was in charge of the business meeting and Mrs. Lura Andrews, secretary, submitted a report. Reports were given by
